

R-VG410PT8

375lt Top Mount Freezer INVERTER Refrigerator
STYLISH DESIGN SERIES

Features

- 375lt Capacity
- Top Mount Freezer
- INVERTER refrigerator
- Only 268kWh per year power consumption
- Warranty: 5 Year Parts & Labour Warranty (Additional 5 Years Parts Warranty on the Inverter Compressor)
- LED Lighting
- Tempered Glass Shelves
- Slide Out Chilled Case
- Dual Fan System to cool fridge & freezer
- Smooth Gliding Smart Vegetable Compartment
- Eco-Thermo Sensor (usage monitor)
- Triple Power Filter
- Mould proof Door Gasket
- No Frost
- CFC-Free
- HFC-Free
- Movable Twist Ice Tray
- Finishes: Black Glass and White Glass

INVERTER x Dual Fan Cooling

Compact High Power Inverter Compressor

The high-precision, high-durability inverter compressor finely adjusts cooling power over a wide range from high to low. Unlike a conventional compressor that cools only by switching a fixed power on or off, the inverter compressor is capable of providing exceptionally powerful cooling by generating a large volume of chilled air, while also providing efficient low power cooling. Depending on conditions inside and outside the refrigerator detected by the Eco Thermo Sensor and with microcomputer control, it provides optimum cooling power at all times.

Dual Fan Cooling – Dedicated Fans

With the high power Inverter Compressor and the dedicated fans for each of the compartments, it assures powerful refrigeration and exceptional energy saving at the same time.

Eco Thermo Sensor Control

Hitachi's Eco Thermo Sensor detects temperature changes inside the refrigerator, and then the microcomputer provides optimum cooling for efficient operation at all times.

R-VG410PT8GBK Interior

Movable Twist Ice Tray

You can move the ice tray for more convenient and efficient use of storage space.

Bright, Energy Saving LED Light

Refrigerator compartment features LED lighting that lasts a long time and consumes much less energy than conventional lamp.

Tempered Glass Shelves

Scratch-proof and heat-resistant, the tempered glass shelves can even hold up to 100kg* each.

Refrigerator Message Board

Write messages where they are sure to be read. The glass door doubles as a message board or shopping list. With window glass markers your Hitachi fridge will become your homes' communication hub.

Triple Power Filter

Triple Power Filter catches and removes 7 odor components¹. While also inhibiting the activity of any bacteria captured to provide a sterilizing effect. Combined properties of Activated Carbon, Zeolite and Manganese Oxide (catalyst), the filter greatly reduces the percentage of odors present over time.

¹ Methyl Mercaptan, Ammonia, Acetaldehyde, Trimethylamine, Propanal, Hexanal and Acetic Acid

Tested by Hitachi

Vegetable Compartment

The vegetable compartment provides plenty of space to store large fruits and vegetables and to keep them fresh. Using Fresh Select in the Vegetable mode gives you even more storage space for neat organization.

Fresh Select

The Select Lever lets you adjust the inside temperature by switching between the two modes.
