

The graphic features a semi-circular top section with a red background on the left and white on the right, separated by a vertical line. White stars are scattered across this top section. Below this is a black horizontal band with the text 'ENERGY RATING' in white. Underneath is a yellow horizontal band containing the product name and energy consumption details. At the bottom is a white box with a black border containing a website URL.

The more
stars the more
energy efficient

ENERGY RATING

A joint government and industry program

Hitachi Refrigerator / Freezer Model R-VB640VT0X series

Energy consumption

464

kWh per year

When tested in accordance with AS/NZS 4474.2.

Actual energy use and running costs will depend on how you use the appliance.
